

Nilee Games

HQ: India

INDUSTRY: Game Development & Entertainment Technology

Nilee Games stands as a global innovator in game development, animation, AR/VR/XR, the metaverse, Web3, and AI. Known for its intellectual property, TRB Funtooss, and its award-winning game Timmy's Toy Rushhh, Nilee Games provides a comprehensive 360-degree entertainment ecosystem that encompasses games, the metaverse, educational content, animated series, and AI-powered applications. The company plays a pivotal role in the global AVGC (Animation, Visual Effects, Gaming, and Comics) sector, driving forward innovation and immersive experiences in the digital entertainment landscape.
